HAND TOOLS

HAND TOOLS

CUT PROJECTS DOWN TO SIZE

Sunshine, fresh air, and a job well done. Enjoy every moment in the outdoors with high-quality, professional-grade Husqvarna hand tools. From maintaining a patio garden to withstanding the all-day demands of commercial landscaping, Husqvarna has the tools for any project.

HAND PRUNERS

PRUNING PERFECTION

Never crush a stem or struggle to prune a branch again! Every landscaping tool set needs a really great pruner, and Husqvarna's high carbon steel blades handle all the usual jobs and then some.

Stay safe with easy locking mechanism.

LIGHT DUTY

HAND PRUNER - CLASSIC

Ideal for the big jobs, the 32" Lopper cuts those higher, hard-to-reach branches. Crafted with drop-forged high carbon steel blades for a long-lasting edge, and lightweight aluminum handles.

Usage	Large cut capacity to conquer challenging, hard to reach branches
Product Size	32" (81.3 cm)
Product Weight	3.38 lbs (1531 g)
Part Number	599 63 33-02
Cut Capacity	1 3/4" (4.4 cm)
Blade Material	Drop-forged high carbon steel
Handle Material	Aluminum
Blade Maintenance	Replaceable blades
Safety Feature	Shock absorbing bumper & anti-slip grips

HEDGE SHEARS

CUT WITH CONFIDENCE

Husqvarna has an answer for your trimming needs. Top-of-the-line high carbon steel blades and lightweight aluminum handles with high-end features give you the confidence to handle projects of any size, whether it's one shrub or a hedge maze.

HEAVY DUTY

COARSE HEDGE SHEARS

Trim large areas quickly and easily with the Coarse Hedge Shears. These professional-grade shears have a long reach, drop-forged high carbon steel blades, lightweight aluminum handles, and anti-slip grips to handle the biggest jobs.

Longer handles help shape shrubs efficiently.

Usage	Designed for trimming tough hedges
Product Size	29.5" (74.9 cm)
Product Weight	2.37 lbs (1077 g)
Part Number	599 63 35-01
Blade Material	Drop-forged high carbon steel
Handle Material	Aluminum
Blade Maintenance	Re-sharpen
Safety Feature	Anti-slip grips

Short blades make landscape fine tuning go quickly.

PROFESSIONAL

PRECISION HEDGE SHEARS

Trim perfectly manicured shrubs with the Precision Hedge Shears. The high carbon steel blades give a precise cut, plus lightweight drop-forged aluminum handles, shock-absorbing bumpers, and anti-slip grips for all-day comfort.

Usage	Designed for landscape manicuring
Product Size	22" (56 cm)
Product Weight	1.75 lbs (794 g)
Part Number	599 63 34-01
Blade Material	High carbon steel
Handle Material	Drop-forged aluminum
Blade Maintenance	Replaceable blades
Safety Feature	Anti-slip grips
